The idea of the project

- Adult education
- Open dialogue
- Educational programme/courses
- Themes relevant to people with lived experience (mental health, substance misuse)
- From course participant to facilitator
- Everything is done in a co-creative and co-productive process among the project partners

Such a pleasure to meet up and work together
for some days!

We worked hard. We ate out.
We swam in the sea. We danced.
We laughed.
