**Objective:**

- To amalgamate the learning, inclusive of process outcomes learning framework a contextualised programme curricula and evaluation recommendations that will serve to inform any successors to partner teams and other communities and organisations that may wish address similar priorities, through established programme framework

**Description of work** (where appropriate, broken down into tasks), lead partner and role of participants.

**T5.1** PMBA will lead the development of Good Practice Guidelines. This will include agreement with partners on the scope, design, format and content of guidelines

**T5.2** PMBA will liaise with WP leads to incorporate agreed process and content for the guidelines and coordinate a consultative drafts review process with partners, ensuring a final draft is ready for publication (M34)

**T5.3** PMBA will arrange for Guidelines to be translated into Finnish and Spanish

**Deliverables**

**D5.1.** Development of Good Practice Guidelines based project process and proof of concept

**D5.2.** Translation of Practice Guidelines
